Please purchase tickets in advance at park office.

Easter Egg Hunt @  
Centennial Park  
10:30am

We can't believe it's already March! Spring is quickly approaching which means the park is gearing up for our busy season!

This month brings us a park trip to Homestead Dairy! Come join us and tour this local dairy! We will leave at 10:00am and return around 2:00pm. \$5 per person for the tour. Call 936-2876 with any questions and to get your name on the list!

If you have any graduation parties, reunions, or weddings/receptions that you need a space to host call the park department and see what's available for your date. We are filling up very quickly for summer so don't delay! We have over 15 facilities to choose from and range in cost from \$15 a day up to \$300. We have something for everyone!

Are you or someone you know looking for a summer job? The Plymouth Park Department is looking for seasonal workers! Stop in at the park office to pick up an application, or look online at the City of Plymouth website and click on the Park and Rec tab!
