Fall Tree Planting:

Mr. Arnold talked with Tom McGee about pricing. Price Nurseries said last year we paid \$280.00 for balled & burlapped trees. This year would be \$250.00 for smaller containerized trees (for better survivability) (This price includes planting by the nursery staff)

Additional locations for this year include

Michigan St (at Kroger Plaza) 2 trees that have died.

323 W. Monroe St (Plum St Side)

City Parking Lot on Garro/Walnut St 2-3 Trees

Other Business:

Nothing new

New Business: Mr. Marquardt had spoken to CMD about Centennial Crossing Development & any trees that would be in the new public right of way would need to be approved by this committee, so we have the right trees in the proper locations.

Mr. Marquardt asked if the committee would like for him to speak to the Mayor about the appointment of Jodi Overmyer from Marshall County Soil & Water division. This would be a replacement for Debbie Palmer who has accepted another position
