

Plymouth Park Department Newsletter

October 2018

The month of October brings us cold weather, hot chocolate, pumpkins, and our fall line up of activities! Don't miss the last couple weeks of the Farmer's Market. The last Saturday for the market will be October 13th.

On October 6th the Park Dept. will be hosting our Fall Barn Sale at the Horsebarn in Centennial Park from 8am-2pm. It's not too late to sign up. Call the park office at 936-2876 for more information.

On October 10th we will be taking our next park trip to Taltree Arboretum in Valparaiso, IN. We will leave at 8:30am from the public pool parking lot. Call today to reserve a spot!

Our final event for the month of October will be the Plymouth Park Department's Haunted Grounds! Come join us on Thursday, October 25th from **6:30 p.m. to 8:30 p.m.** at the **Freyman Shelter** (behind the tennis courts). There will be games, candy, costumes, popcorn, hot chocolate, and a haunted hay ride. Thank you to Optimist Club, PHS Student Council, PHS Art Club, Bane-Welker, and the Boys and Girls Club of Marshall County for sponsoring and/or volunteering for this event.

Last, but not least, check out our campaign to raise funds to install an ADA accessible kayak launch at River Park Square! <http://www.patronicity.com/TheLaunch>
