

Plymouth Park Department: November 2020 Newsletter

Last month, the Plymouth Park Department hosted a movie in the park at River Park Square. With Halloween vibes in the air, we chose the classic 1990's movie "Hocus Pocus". Although we ended up getting rained out, we took some pointers away from the evening and how we can improve for future events...stay tuned!

During the months of November through March, the Webster Center will be open Monday—Friday from 8:30a.m.—11:30a.m. for anyone wanting to walk.

Starting Monday, November 30th and running through the holidays, everyone is invited to visit River Park Square any time between 6pm—10pm and watch the Park Department's annual Light Show!

In response to the Covid-19 pandemic, our traditional "Photos with Santa" has been transformed into a "Virtual Visit with Santa"! Santa & Mrs. Claus will be live streaming from the North Pole to the Webster Center from 9am—11am on Saturday, December 5th. Families are also invited to get a family photo at this event. We will be giving out free muffins & milk! A special **THANK YOU** to Centier Bank for sponsoring this event! Space is limited. You must call the park office to reserve your time slot, 574-936-2876
