***June 2020***

The hot weather is here! Our trails have been very busy. We love that folks are using our facilities, like the Greenway, to stay fit and healthy while also socially distancing. Please don't forget about the StoryWalk along the Greenway, located near the Young Amphitheater, while enjoying your walk or bike ride through the park.

At this time our tennis courts, basketball courts, baseball diamonds, dog park, splash pad, and skate park are open.

Starting June 1 we will begin rentals throughout the park system. Please call 936-2876 if interested in renting this summer.

Please enjoy your park system while practicing social distancing whenever possible!
