MEETING NOTES:

T-Mobile, Nikki Atherton (Introduction / Discussion):

Discussion Summary:

- Representatives from T-Mobile were present to introduce themselves and to provide insight on what they have to offer from a city prospective.
- Currently T-Mobile has multiple towers located within, or near, the City of Plymouth with an additional tower to be constructed in 2025. 5G coverage in the area is very good.
- Discussions took place regarding office phone and fax capabilities, wireless cellular phone and tablet service along with other potentially useful connected devices.
- Wireless connected city internet was also discussed.
- Security cameras can be wirelessly connected with cloud storage for video and audio retention capabilities.
- T-Mobile partners with companies that offer a variety of devices to enhance communication and enable monitoring of operations.
- It was encouraged T-Mobile to refer to the Plymouth Zoning Ordinance for new tower requirements. Follow the link below for more information. https://www.plymouthin.com/egov/documents/1632944980 25892.pdf
